## AFTER-SCHOOL TUTORING

Mounds Public School is in the process of setting up a one-hour after-school tutoring/homework help program for our students. This program will run from 3:30 to 4:30. Students will need to be picked up promptly at 4:30, as transportation cannot be provided for this program. Students will receive a "sack supper" as part of this program.

If you sign up to have your student attend this program, it is important that you are able to provide transportation home for your child. We have limited ability to provide tutoring/homework help, so at this time we will limit the participation to the first 120 students who have a signed permission slip returned to the school. This may create a waiting list of active participants. Please be aware that failure to pick up your participating student in a timely fashion can result in your child being removed from the program, in order to provide a "slot" for a student on the waiting list.

Program to begin: January 9, 3:30

Program will run Monday – Thursday for each successive week, assuming that school is in session.

I have read and understand the guidelines for Mounds After-School Tutoring/Homework Help Program, and give permission for my student(s) \_\_\_\_\_

(add other names if necessary) to attend.

I further understand that I am responsible for student transportation home from the program each day at 4:30.
